Tip: Having trouble logging in?

You may need to "clear your cookies":

Log into TEAMS – your digital classrooms:

Your TEAM might be waiting for you to join or your teacher may give you a code – depending on how you have been invited to the TEAM.

Look for TEAMS on the far left side panel in the "ME" space. Next, click TEAMS again. It will ask you a few things or say "Get Started". Next, wait for the code from your teacher OR you might also see your TEAM waiting for you to join – depending on how you have been invited to the TEAM.

How to Find your Assignments:

Open your Team and look for "Assignments" in the left rail under the Team Name to get started.
